

# TRUSS4

## EXPOSED TRUSSES

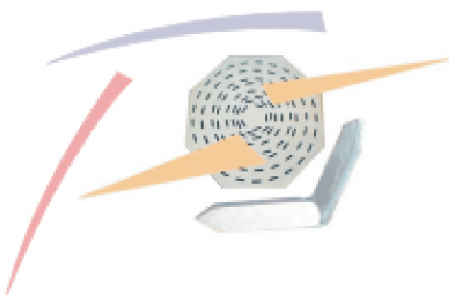

Contact us: 033 3308957

Design & Connectors Manufactures a variety of Roof Truss connectors to suit the engineers. In order for pricing to be done a Truss4 design must be supplied to our drawing office ([nolan@nailplate.co.za](mailto:nolan@nailplate.co.za)) who will provide the required speck and pricing alternatively your Architect can spec the design and our engineers will speck the gauge of material and bolting based on the Truss4 program output.
